

Neebing property owners....

Neebing Fire/Rescue Association owes all 2023's success to you, our donors, residents, and supporters. You step up, show up, lend a hand, and support us financially. Thank you. Thank you so very much.

Donations at the landfills have reached an all-time high, your support of our raffles is unprecedented and a wonderful surprise, and you are there when we've asked for help. Whichever way you are involved, please know it makes such a difference.

Your input is vital; our ability to support Neebing Emergency Services (NES) depends on you. And thanks to you, NES is being equipped with the tools to keep us all safe, to be there when we need them. What you contribute is priceless when you know that, in an emergency, help is on the way, and they are highly trained and outfitted.

Thanks to our donors, 250' and 300' hoses, polar parkas, a Honda 11 HP pump, hoses, couplings, 2way ball and gate valves, several rechargeable power tools, and a hose rack, dryer, and reel are now part of the NES arsenal.

Our newest 50/50 is online and you could be our next big winner. Check the reverse of this letter for more information.

We wish everyone a happy and healthy New Year.

Be safe, be well and be kind.
