

## **Notice of a Public Meeting being held to consider the Formal Closure of a Road**

Please take notice that the Council of The Corporation of the Municipality of Neebing, sitting as Committee of the Whole, will hold a Public Meeting on Wednesday, November 17, 2021 at 5:00 p.m., via web conference to consider a request to close a road in the Municipality. Authority to close roads is found in Section 34 of the Municipal Act, 2001.

The road under consideration was formerly known as part of "Flank Road West". It exists between Concession 2 North Part Lot 11 and Concession 3 South Part Lot 11 in Pearson Township. The road travels east from Salo Road to the Pine River.

The Pearson Local Roads Board maintained the road when Pearson was a township without municipal organization. The former bridge across the Pine River and maintenance of the road ceased sometime before amalgamation with Neebing

The road is not recognized by the Municipality in its by-laws or the Municipality's Road Maintenance Policy. While the Municipality has never maintained the road as a public road, a formal closure is being recommended by staff to create more certainty for the general public.

ANY PERSON may attend the Public Meeting and/or make written or verbal presentations either in support of, or in opposition to, the proposed road closures.

How to provide input: Although in-person meetings have been cancelled, there are several ways in which the general public can provide input on the application, such as:

- a) Submit comments in writing - Persons wishing to provide comments may submit such comments in writing, by email, to [clerk@neebing.org](mailto:clerk@neebing.org) or by regular mail to the address below.
