

New and Noteworthy

Message from Your Mayor and Council

Council wishes you and your family a safe and healthy 2024. Our community is fortunate to have hard working staff and volunteers whose contributions help make Neebing a great place to live, work and play.

Regular Council Meetings take place on the first and third Wednesday of each month. Regular Council Meetings have a Town Hall session at the beginning of the meeting, where members of the public are welcome to informally address Council. You can also request a deputation if you wish to speak with Council more formally regarding an issue. Contact the office the week before a Council meeting to arrange a deputation.

New audio-visual equipment has been installed to improve the online meeting quality. Meetings can be attended in person, via computer, or phone. Connection information is posted in the Calendar on our website or you can call the office.

Tax Installment Due Dates are February 29 and May 31, 2024

If you have any questions about the information on your tax notice, contact the Municipal Office. If you would like to set up a monthly payment plan for your taxes, call the office and ask to speak with Laura.

Outdoor Skating Rinks

The skating rinks at Blake Hall and Alf Olsen Memorial Park opened late this season because of weather. Volunteers prepare and maintain these outdoor rinks for our residents to enjoy. If you would like to volunteer to help, please contact Councillor Curtis Coulson at (807) 577-2475.

Blake Hall turns 100!

Planning for the 100th anniversary of Blake Hall is underway. Events are scheduled for Friday, September 13th and Saturday, September 14th. Volunteers are needed to help with planning and running this event. Call the office to become a part of the organizing crew or to volunteer at the event.

Neebing Survey

Complete a survey about the quality of life within the Municipality of Neebing. This survey can be done online through the Neebing website under www.Neebing.org/survey or by paper copy available from the Municipal Office. We want your feedback.

Recycling is Good for Everyone

Recycling reduces the amount of waste entering our landfills and extends the life of our sites. Please help us keep property taxes low and do your part by recycling.

Neebing Emergency Services Call for Volunteers

Neebing Emergency Services is looking for volunteers. Training and equipment is provided. Contact the Fire Chief at the office for more details or fill-in the online application form on the Fire and Emergency Services page on our website.

Snow Clearing

Municipal roads have different classifications based on traffic counts. The class directs how snow clearing and other road work is performed. See the Roads Maintenance Policy on the website for details.

There is no parking allowed on municipal roadways December 15th to May 31st to allow Neebing's roads crew to clear snow. Thank you for not parking on the roads.

Placing snow on the roadway creates a safety hazard for other vehicles. It can make road maintenance more difficult and time consuming and is against both municipal by-laws and the Province's Highway Traffic Act. Please help keep the roads safe for everyone!

Report a Concern

If you have concerns regarding municipal operations, you can phone the office, or use our report a concern form on our website. Complaints are tracked and forwarded to the right department as well as your Ward Councillor.

Municipal Plans

In addition to popular bylaws, the following plans, policies, and reports are available from the office or on our website: Accessibility Plan, Asset Management Plan, Budgets and Financial Statements, Capital Plan, Emergency Plan, Lakehead Rural Municipal Coalition Rural Action Plan, Official Plan, Neebing Strategic Plan, Roads Maintenance Policy and Tax Collection Policy.

Dogs Running at Large

Dogs running at large are against the law. Please keep your pets at home. Allowing dogs to run at large causes risk to dogs, motorists, and wildlife. If your dog is caught running at large, you could face municipal fines. Charges from the Ministry of Natural Resources could also be levied as it is illegal to let a dog be at large in an area inhabited by deer, moose or bear during the closed season.

Blake Hall Upcoming Events

Family Skate Day Feb 19, Easter Egg Hunt, Saturday Crafternoons and more. See the Community Calendar on our website for details.

Fire Permits

Fire Permits are required from April 1 to October 31 each year. Permits can be obtained online beginning April 1st by visiting <http://www.neebing.org/firepermits> or from AJ's Trading Post. Fireworks permits are issued by the Fire Chief.
